### Our Schedule:

**Thursday, February 8**

**9:30—10:30 am**

1. **World Impactors - Is This Your Vision for Your Children?** Do we raise our children with the expectation that they must change the world, and that they will change the world? And what is the world, and what needs to change about the world? This isn't just a ra-ra session for political involvement. It is a thoughtful worldview analysis of the Christian's relationship with the world and his marching orders while in the world, but not of it.

**11:00—12:00 noon**

2. **How Jesus took over the world since AD 30—a Christ-centered world history**

**LUNCH, 12:00 noon to 2:00 pm**

**2:00—3:00 pm**

3. **Pragmatism: The Slippery Slide to Hell** If our children will understand the world, they must understand ethics - the principles that direct people's choices. And there is no more destructive and insidious ethic operating today than that of pragmatism, which loses sight of absolute standards of what is right and what is good. No ethic has been so influential in the way that people make decisions today. When families and entire cultures are driven by pragmatism, not principle, things begin to unravel. How do you live your life? Will pragmatism cause your family to slip down the slippery slide to hell?

**3:30—4:30 pm**

4. **Christ-core or common core—is Christ really at the center of your children's education?**

## DINNER, 4:30—7:30 pm

### 7:30—8:30 pm

5. **The Heart of Fatherhood** Here is a rousing call for renewing the involvement, relationships, and powerful influence of fatherhood. In many ways, fatherhood is a lost art. Kevin comes to this presentation with the blessing of having received a great legacy of four generations of godly fatherhood. It is more than leadership, responsibility, and relationships. It is a generational vision that renews families, reforms cultures, and establishes family dynasties. Dads, get ready for a huge encouragement and uplifting vision from this presentation.

## Friday, February 9

### 9:30—10:30 am

6. **The Heart of Homeschooling** Eventually, every homeschooling parent realizes that the heart of the child is the heart of the Homeschool. In this transparent and powerful presentation, Kevin traces a developing relationship between himself and his own son. Kevin drills into the heart of what happens in a home when parents begin to walk with their children. Parenting and home education boils down to one issue - the heart of a parent connecting with the heart of a child.

### 11:00—12:00 noon

7. **God's Curriculum - Teaching Proverbs to Your Children** Of all of the curriculum available for our children, the most important is still the material that God gave us around 1000 BC. The author of a three-volume study guide on the Proverbs, Kevin Swanson summarizes the entire book in one quick hour. Equip yourselves to teach the important stuff on epistemology, metaphysics, ethics, sociology, anthropology, economics, character, leadership, education, and parenting.

## LUNCH, 12:00—2:00pm

### 2:00—3:00 pm

8. **Getting Out of the Box.** We weren't really born in a box. But we seem to be drawn to boxes, especially in the education of children. Not everybody who chooses to homeschool their children leaves the box behind. In this presentation, Kevin describes the dimensions of the box and shows families how to climb out of the box.

### 3:30—4:30 pm

9. **Of Whom This World is Not Worthy - The Greatest Mothers the World Has Ever Known**

This powerful and passionate presentation brings out the greatest role models, from Biblical and Christian history, of mothers that literally changed the world. This encouraging message will bless the heart of every mother, especially during the tough times and dark days.

## DINNER, 4:30—7:30 pm

### 7:30—8:30 pm
